GENERAL INFORMATION ABOUT THIS REPORT:

This information only includes the charges for course materials available through the CMO and/or materials available through the Harvard Coop.

Students may have had to purchase materials in jointly listed courses at other CMO's or at the Coop under a non-KSG course code.

This report is a record of what a student would have paid for course materials during the Spring 2006 semester if that student chose to purchase all course materials for a course.

This report is not a "price list" of what a student will pay for a particular course during the Spring 2007 semester, but it may provide a student reasonable information with which to predict course costs.

NOTES CONCERNING SPECIFIC COURSES:

API463 was canceled. Cost of course materials would have been \$54.37.

- 1 API500X: Students are provided the course materials without charge.*
- 2 PAL210: Packet #1 was a book, "Setting Course: A Congressional Management Guide"*
- 3 STM502: Packet #4 was a setting of Myers-Briggs testing materials.*

HARVARD COOP BOOKS

Information based on a report from the Coop dated May 2, 2006.

Only new text book prices are listed; used copies, when available, represent a 25% savings for the student.

CLASSROOM HANDOUTS

Classroom handouts are treated as "required" materials and are included in the "S. Req'd Total" column in addition to "L. Handouts".

LEGEND TO COLUMN HEADINGS

A. Spring 2006 Course: *The column lists all of the courses that offered reading materials through the CMO and/or the Harvard Coop during the Spring 2006 semester.*

B. Section Letter: *Not all sections with the same course code share the same materials (e.g., STM101A compared to sections B, C and D)*

C. Instructor Name: *If the same instructor is teaching the same course for Spring 2007, it is possible that the cost of the materials will remain approximately the same.*

Only one instructor's name is listed even if there were more than one instructor.

COURSE MATERIALS OFFICE

D. Required Packets Not Online: *The total cost of required reading packets (i.e., materials the instructor expects you to have read for the course) containing materials not online. Please note that it is the faculty assistant or other individual assigned by the instructor to put the materials together to make this determination.*

E. #: *The number of required course packets.*

F. Required Packets Online: *The total cost of required packets containing materials that are also available through the Internet or HOLLIS.*

Please note that it is the faculty assistant or other individual assigned by the instructor to put the materials together to make this determination.

G. #: *The number of packets containing hard copies of materials available online.*

H. Optional Packet Not Online: *The total cost of optional reading packets (i.e., the Coop uses the term "recommended") containing materials not online.*

I. #: *The total number of optional packets containing materials not online.*

J. Optional Packets Online: *The total cost of optional reading packets (i.e., the Coop uses the term "recommended") containing materials that are available through the Internet or HOLLIS.*

K. #: *The total number of optional packets containing materials also online.*

L. Handouts. *The amount billed to students at the end of the semester for classroom handouts.*

M. Total Cost. *The total cost of all course materials distributed through the CMO.*

HARVARD COOP (The Harvard Cooperative Society)

N. Req'd Books: *The total cost of required reading text books (i.e., materials the instructor expects you to have read for the course).*

O. #: *The number of required text books.*

P. Opt'l Books: *The total cost of non-required text books (the Harvard Coop uses the term "recommended").*

Q. #: *The number of optional text books.*

R. Total Cost: *The total cost of both required and optional text books.*

CMO & COOP TOTALS

S. Req'd Total: *The total cost of required course packets, plus the cost of classroom handouts and required text books from the Coop.*

T. Opt'l Total: *The total cost of both non-required course packets and non-required text books from the Coop (the Harvard Coop uses the term "recommended").*

U. Total Cost: *The total of both required and non-required materials distributed by the CMO and the Coop.*
