

## Student Public Computer Locations

### Introduction

There are **120** public computers for student use at HKS. They are located at many convenient spots around the HKS campus.

### Taubman Building

#### The HKS Computer Lab

The HKS Computer Lab has **54** workstations. It is located on the ground floor of the Taubman building. There are 52 standard workstations and 2 scanner workstations. In the Computer Lab there are 2 high capacity Xerox printers and a Xerox color printer as well.

Situated directly outside the HKS Computer Lab are **2** public machines that require no login. The public workstations have no printing capabilities.

#### The Lab Classroom

Connected to the Computer Lab is the Lab Classroom. The Classroom has **20** workstations and an overhead projector for instructional work. The classroom has a Xerox printer and access to the printers in the main Lab as well.

#### The Taubman Carrels

The Carrels are located in the Taubman Rotunda. The Rotunda has **5** workstations between the 2<sup>nd</sup> floor and 4<sup>th</sup> floor. On the 3<sup>rd</sup> floor is a Xerox printer for student use.

### Belfer Building

#### Belfer 1

The 1<sup>st</sup> floor of Belfer has **6** workstations that print to an HP printer located behind the workstations. The printer has a file cabinet below that stores extra paper and toner.

#### Office of Career Advancement

The Office of Career Advancement has **4** workstations that print to an HP printer. They are located in Belfer 124.

#### Belfer 3 ½

On floor 3 ½ there are **8** workstations available that print to an HP printer located behind the workstations. The printer has a file cabinet below that stores extra paper and toner.

## Littauer Building

### **HKS Library**

The HKS Library is on the ground floor of Littauer. There are **15** workstations in the HKS Library.

### **Littauer 3**

The 3<sup>rd</sup> Floor of Littauer has **6** workstations that print to an HP printer. They are located directly above the Forum.
